**Open events** are optional and require swimmers to complete individual entry applications. Entry to some of these competitions will be co-ordinated by Hinckley Swimming Club but for others you may be responsible for arranging your own entry. Some open meets may be attended by Hinckley Coaching staff if taking place locally, subject to a minimum of 10 club swimmers participating, but for others you will be responsible for your own children on poolside. If in any doubt, please ask.

**League Galas & LASA Championship Competitions - All** club squad swimmers are to make themselves available if selected to swim, these galas are important league competitions for which the strongest team is expected to swim. Non attendance may result in you losing your place in the squad sessions and in particular at JCC.

**Other Galas** - The Club will select appropriate swimmers for each of these galas. If you are selected you should make every effort to attend. It is your chance to show that you should be selected for League Galas.
