INFORMATION

One chance onl y!

It is unlikely that we will be taking a second batch of these particular items **until 2010** because of the high re-run costs which can only be satisfied with a **large order**. Even then we could not guarantee a price as good as the ones being offered currently, with lesser numbers it could be as much as £3 more per item.

We suggest **order now** to avoid disappointment, we will be carrying only a **very limited stock** afterwards. We are targeting an orders deadline of **Tuesday 24th February**, this may be extended slightly, but the order will arrive within the month of the final deadline.
